

School of BioSciences

Volunteer Registration

- Volunteers are personnel who freely partake in activities without payment. Refer to the School of BioSciences Environment, Health & Safety folder on the BioSciences server for further information.
- Your supervisor will inform you of inductions, training and other safety requirements specific to the task being performed.
- This form is to be completed prior to commencing volunteer work at the School of BioSciences. When complete, please return this form and all other required paperwork to your supervisor. This form must then be handed to School Reception for signing by HOS and filing.

Privacy Statement

The information on this form will be used by the School of BioSciences for statistics, in the event of an incident or accident and where next of kin need to be notified. For more information on the University's privacy policy, please visit www.unimelb.edu.au/unisec/privacy.
